

Privacy Policy

By using the Simple Rehab application, you are consenting to the collection, storage, use and sharing of personal information as detailed within this privacy policy below.

Personal Information Collection

The Simple Rehab application does not collect any personal information, does not store any personal information, does not use any personal information, and does not does not share any personal information.

Simple Rehab's developer may be contacted via email: simplerehabhelp@gmail.com directly and via their personal Github Pages web page. Emails submitted to the developer in relation to support or the provision of feedback will be retained for quality assurance purposes and to directly reply to concerns or suggestions. The developer will not use the email address for marketing purposes nor will it be passed to a third party.

The developer of Simple Rehab uses Github Pages as a web host and as such would direct users to their published Privacy Policies for additional information on how they may collect and use interaction information.

Personal Information Disclosure

The Simple Rehab application, nor its developer, will disclose your personal information to anyone unless guidance is given and explicit consent is requested by you to do so, or if required by law.
